

**Use of Licensor Materials.** Licensor hereby grants Licensee the non-transferable, non-exclusive license, during the Term, to use certain approved content (e.g. Film title treatment, key art, clips, stills) and trademarks (“Licensor Materials”), in whole or in part, throughout the [United States of America] solely in connection with the Promotional Activities and for no other purpose. “Promotional Activities” are those certain promotional activities undertaken by Licensee, all as more particularly described in **Exhibit A** attached hereto and incorporated herein. Licensor will be responsible for obtaining the right for Licensee to use the name, image, likeness, signature, voice, performance, statements, quotes, tips, testimonials, character, biographical materials, and other indicia of identity of any talent contained in the Licensor Materials (collectively, the “Personality Rights”). Each use by Licensee of the Licensor Materials will be subject to Licensor’s prior written approval, such approval to be granted or withheld consistent with Section \_\_, and Licensee will not publicly disseminate, display or exhibit any material containing the Licensor Materials without such approval. Upon termination or expiration of this Agreement, Licensee will cease all use of the Licensor Materials as soon as practicable, but in any event within thirty (30) days of such termination or expiration. Licensee will (i) not authorize any third party to use the Licensor Materials except as pre-approved in writing by Licensor, (ii) include on all materials incorporating any Licensor Materials such legal notices as are required by Licensor and (iii) not modify, alter or supplement the Licensor Materials. All right, title and interest in and to the Licensor Materials, including all rights under the trademark, copyright and/or other intellectual property laws, and all associated goodwill, now existing or hereinafter created pursuant to this Agreement, will remain vested in Licensor subject only to the license expressly granted in this Agreement. Licensee will not, challenge or assist in any challenge to the ownership or validity of the Licensor Materials, any registrations thereof, or the ownership thereof. All rights with respect to the Licensor Materials not specifically granted in this Agreement will be and are hereby reserved to Licensor.

**Reservation of Rights.** Except as expressly provided in this Agreement, each party and its licensors exclusively own their intellectual property and all enhancements, improvements or derivative works of such intellectual property, including any ideas, concepts, know-how, process, techniques and methodologies developed by the party from performing its obligations pursuant to this Agreement, and all copyrights, patents, trademarks, and other intellectual property rights therein. A party will remove, alter, or obscure any copyright, trademark, or other proprietary rights notices appearing on any intellectual property provided or made available by the other party hereunder.
